

# Retentions/Promotions End of Summer

06/24/2026 6:29 am EDT

Students who are retained at the end of the school year have an end status, end date, and " **R: Retain**" end action added when ending enrollments.

PSUs may choose to use a summer school calendar to track student enrollment. See the [End Summer School Student Enrollment](https://ncdepartmentofpublicinstruction.knowledgeowl.com/home/end-summer-school-student-enrollment) (<https://ncdepartmentofpublicinstruction.knowledgeowl.com/home/end-summer-school-student-enrollment>) for how to process students' enrollments for a summer school calendar. A full summer school calendar is not required to be used by a PSU.

**All students who receive instructional services during the summer or earn summer grades are required to have a Summer Education Program**

(<https://ncdepartmentofpublicinstruction.knowledgeowl.com/home/summer-education-program-summer-education-program>)

**assigned. The program assignment is required whether summer school is recorded in a dedicated summer school calendar or not.**

The student's end action at the end of the school year, the student's summer education program exit status, and the student's future year enrollment are used to determine the student's Retention/Promotion Status for state reporting.

**Use the Read to Achieve Program (RtA)** (<https://ncdepartmentofpublicinstruction.knowledgeowl.com/home/read-to-achieve-program-rta>) **for Reading Retained (RRET) designation.**
