2. Adjust the day detail based on the scenarios below:

- a. **Students attended for partial day:**

- i. If a different period schedule should be used due to the inclement weather or emergency closure, choose the **appropriate period schedule** from the dropdown (Example: Early Release, 2 Hour Delay, etc.)
- ii. Add a **Start Time** and **End Time** for the instruction provided. (Optional)
- iii. Add a **day event type** indicating inclement weather or emergency closure.
- iv. Enter the **number of instructional minutes** provided for the day. (Optional) Please review the [SASA Manual](https://www.dpi.nc.gov/districts-schools/district-operations/financial-and-business-services/student-accounting#SASAManual-1394) (https://www.dpi.nc.gov/districts-schools/district-operations/financial-and-business-services/student-accounting#SASAManual-1394) for details on calculating instructional minutes.
