

Early Learning Program

05/13/2026 12:33 pm EDT

All Preschool (pre-K) students (children under the age of 6 and not kindergarten age-eligible) must be enrolled in the NCSIS using standardized processes to ensure accurate data collection and reporting including, but not limited to, the following federal requirements:

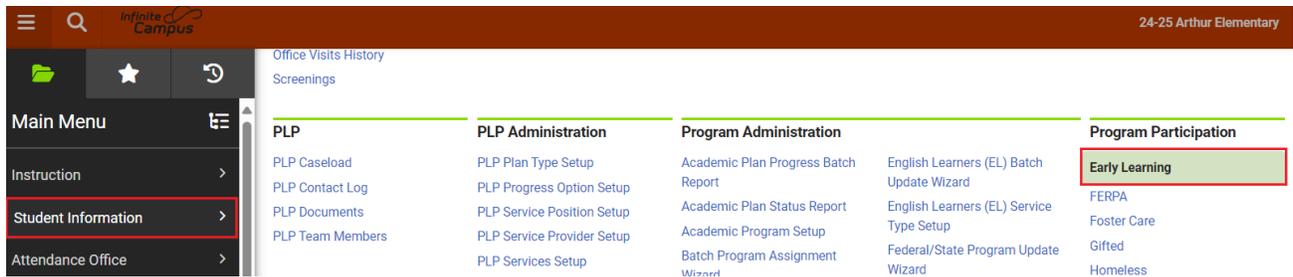

1. the number and percentage of preschool children served by NC that are funded by Title I (ESEA),
2. the number of days/hours enrolled in a public school setting (IDEA), and
3. the significant disproportionality in identification and disciplinary actions for students ages 3 - 21 (IDEA).

In addition, these students must be enrolled into a student program in the NCSIS. Select all program types that apply. All program types providing pre-K services must be included. For example, a student's regular education program may be the NC Pre-K program, and the child may also receive services from the EC program or dually enrolled in Title I Preschool. If all of the program types are not known for pre-K students, please contact the PSU pre-K Coordinator for assistance. Choices may include:

- NC Pre-K
- Title I
- Head Start
- Early Head Start
- Exceptional Children
- Exceptional Children Itinerant
- Childcare Subsidy
- Local Government
- Fee-Based
- CTE Preschool
