Add Terms

Select the number of terms based on how many times final grades will be posted during summer school, if applicable. The example below displays a Full Year term as there will only be one final grade posted at the end of summer school.

Navigation: *Scheduling & Courses > Calendar Setup > Term Setup*

- [Calendar Terms | Infinite Campus](https://kb.infinitecampus.com/help/terms) (<https://kb.infinitecampus.com/help/terms>)
- Click **New Term Schedule/Terms**.
- Select the **term parameter** for the summer school calendar. In the example below the *Full year (1 term)* was selected.
- Select **Create Terms**.

Auto Create Term Schedules

Parameter Selection

This tool will create terms within a schedule structure. Infinite Campus allows multiple term schedules, but it is not advised to do this unless absolutely necessary. Select the minimum number of term schedules needed for your schedule. For example, full-year, semester, and quarter long course-sections can all be scheduled within a quarter term schedule, so you would only need to create one four-term schedule.
