Enrollment End Batch Process

This tool processes enrollment records for all students in the selected calendars and grade levels at the end of the school year. Enrollment End Dates, Enrollments and Graduation records are only modified if the fields selected to be filled on this editor are blank on the student's Enrollment record and are already marked as Retained or Demoted on their Enrollment records will not be processed by this tool.

If students are assigned academic plans, process the graduating class using the Post Diplomas mode on the Course Plan Admin tool. This applies the
