## Dropout Reporting and Verification

Please refer to the Dropout Manual (Discipline, ALP and Dropout Data | NC DPI (https://www.dpi.nc.gov/data-reports/discipline-alp-and-dropout-data)) for detailed information and procedures about reporting dropouts. Students must have an active dropout program (program with no end date) to be reported as a dropout. Refer to the Dropout (North Carolina) | Infinite Campus (https://kb.infinitecampus.com/help/dropout-north-carolina) article for more information on the dropout program. Use the State Student Locator Tool (https://locator.ncsis.gov/) to search for student enrollments in other PSUs.

Review the **Dropout Reporting and Verification** report and the table below to ensure students are reported correctly. The **Dropout Reporting and Verification** Report is a Data Validation report that can be found at *Reporting > Data Validation > Data Validation Report* and should be run in the context of the Reporting Year.
