Discipline reporting for pre-K students works the same way as it does for students in grades K-13 and must be submitted to NCDPI in the SIS by the required timeframes. Please refer to the preschool section of the [North Carolina Discipline Data Reporting Procedures guide](https://www.dpi.nc.gov/data-reports/discipline-alp-and-dropout-data) (<https://www.dpi.nc.gov/data-reports/discipline-alp-and-dropout-data>) for additional information.

Please direct programmatic questions to the appropriate program consultant (e.g., Preschool Exceptional Children, Head Start or Preschool Title I).
