Students who fail to maintain continuous program enrollment

Use the steps below to end a CCAHS dropout program and add a new program for students that fail to maintain continuous enrollment in the Adult High School program.

Modify Current Dropout Program

If a dropout program was added to the student from the previous year with the dropout reason to CCAHS: Community College Adult High School Program, this program will need to be ended as the student no longer qualifies.

Navigation: [Student Information](#) > [State Programs](#) > [Dropout](#)

- Select the Dropout Program containing the dropout reason CCAHS: Community College Adult High School Program.
- Enter the day *before* the notification of non-enrollment in the Adult High School program as the program **End Date**.
- Leave all other fields as is.
- Click **Save** to save the program.

Program Information

Add New Dropout Program

A new program with an updated dropout reason must be added to record the student as a dropout for the year the student failed to maintain continuous enrollment in the Adult High School program.

Navigation: Student Information > State Programs > Dropout

- Enter the date notified of the non-enrollment in the Adult High School program as the **Start Date**.
- Leave the End Date **blank**.
- Select the **School** where the W2T end status enrollment record is contained.
- Select the **Grade** where the W2T end status enrollment record is contained.
- Enter the **Dropout Year** of the school year where the student should be counted as a dropout (typically the current year).
- Select the appropriate **Dropout Reason** from the dropdown list.
- Leave the Exemption Code **blank**.
- Enter Comments (Optional).
- Click **Save** to save the program.
