Students Graduating from a CCAHS Program

12/11/2025 6:37 am EST

These students will get their W2T status changed to a **W4/W6.** The enrollment record will have the date the student completed the CCAHS program as the start and end date. Thus, the Admission Status must be VST1. The end date, exit status, and diploma period assigned in the graduation tool will determine if the student is reported as a mid-year graduation or end-of-year graduation on the GDV collection.
