

Close Out School Year

04/10/2026 11:58 am EDT

The items included in this section should be completed after the last instructional day of the current school year.

All items that are applicable must be completed prior to the future year becoming the active year. The active year will be updated on **July 1st**.

Items included in the processes below are subject to change as [NCDPI](#) determines the best practices for closing out the current school year.
