09/03/2026 11:10 am EDT

All incident information should be entered in compliance with the [Discipline Data Collecting and Reporting Manual](https://www.dpi.nc.gov/data-reports/discipline-alp-and-dropout-data) (<https://www.dpi.nc.gov/data-reports/discipline-alp-and-dropout-data>). Refer to the manual for guidance on proper coding of incident behaviors and resolutions.

Purpose

List of incidents with "065-ND: No Immunization" or "077-ND: No Physical exam BUT "135 OSS Medical Reasons" was not found.

No Immunization and Physical Exam should only be used to document if students were not permitted to attend school until the required proof of immunization or required medical form was obtained. The behavior code should be used along with the action code of "135 OSS Medical Reasons". These incidents are not considered out-of-school suspensions and are excluded from reporting. This check flagged incidents where the behavior code was 065 or 077 and the action code was not 135.
