

# (NC) IBE23 Threat 107 Behavior

09/03/2026 11:23 am EDT

**All incident information should be entered in compliance with the [Discipline Data Collecting and Reporting Manual](https://www.dpi.nc.gov/data-reports/discipline-alp-and-dropout-data) (<https://www.dpi.nc.gov/data-reports/discipline-alp-and-dropout-data>). Refer to the manual for guidance on proper coding of incident behaviors and resolutions.**

## Purpose

This check identifies when a 107 behavior code is entered along with a PF or PW behavior code or a weapon code. Use 105 or 106 if there was a weapon present or 019 if the threat was not made in person.

## Severity

Warning

## What to Review

Review the threat behavior code, possession behavior, and any weapon or firearm attached to the event.

## Report Content

| Column Name            | Description                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------------------|
| endYear                | School year selected for the report.                                                                                   |
| PSU/School Information | Displays PSU Code, PSU Name, School Code, School Name associated with the reported data.                               |
| Location Information   | Displays Location Code, Location Description associated with the reported data.                                        |
| Incident Information   | Displays Incident Number, Date, Time, Status, Title associated with the reported data.                                 |
| Offender Information   | Displays Role, Type, Relationship to School, UID, Name, Grade, Sex, Race/Ethnicity, associated with the reported data. |
| Reporting Information  | Identifies the detail or summarized Level and the State Reporting Category associated with the reported data.          |

| Column Name                | Description                                                                                                                              |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| State Behavior Information | Displays state behavior Code and Description assigned to the incident behavior.                                                          |
| Local Behavior Information | Displays local behavior Code and Description assigned to the incident behavior.                                                          |
| Threat107_Behavior_flag    | Y indicates Threat of Physical Attack without a Weapon (107) is reported with an associated weapon, firearm, or weapon-related behavior. |
| Weapon Information         | Displays Weapon Code, Description, Category associated with the reported data.                                                           |
| Total_Weapons_count        | Displays the number of distinct weapons associated with the behavior event.                                                              |
| Firearm_Type_count         | Displays the number of associated weapons categorized as Firearm (01, 02, 03, 07, 09, 10, 11, 12, 14).                                   |
| Weapon_Type_count          | Displays the number of associated weapons categorized as Weapon (04, 05, 06, 08, 13, 15).                                                |
| Other_Weapon_Type_count    | Displays the number of associated weapons categorized as Other (16).                                                                     |

## Recommended Action

Use the threat and possession codes that match how the threat occurred and whether a weapon or firearm was present.

*Navigation: Menu > Behavior Office > Behavior Management > Behavior Management*

- Ensure the correct Context is selected.
- Select the status needed in the **Status Filter** dropdown to display incidents based on the report reviewing.

- Use the **Column Titles** to sort the incidents for easier searching. Use the **Date/Time** and **Title** columns to determine which incident to review.
- Select on the incident and confirm the **Incident ID** matches the **Incident\_Number** in the report.

| Incident Management Editor |                     |           |                       |               |        |        |
|----------------------------|---------------------|-----------|-----------------------|---------------|--------|--------|
| Title                      | Date/Time           | Location  | Context               | Submitted By  | Status | Locked |
| Cell Phone                 | 02/09/2026 11:10 AM | Classroom | During Regular School | BOLICK, LEIGH | CM     |        |

- If the incident is locked use the **Unlock** button at the top of the detail screen to unlock the incident and edit the information as necessary. (Unlocking incidents is based on tool rights.)
  - This will move the incident from a Complete to In Progress status until the status is updated to Complete

again.

Add Event/Participant Add Resolution Add Behavior Response

### Correction Option: No Correction

- If it is determined all information is **correct**, no further action is needed.

Note: The Event Type must have a Weapon Classification for the Behavior Event Weapon field to be available within the participant details. If there is a Behavior Event Weapon option on an event that is not a weapons-related event, review the Event Type Setup for the event and confirm information is setup correctly. (*Behavior Office > Settings > Event Type Setup*)

### Correction Option: Add Behavior

- Locate the **Event Details** section. If a behavior is not listed, select **Add Event/Participant**.
- Select the appropriate behavior from the **Event Type** dropdown.
- If the event has a Weapon classification, select the appropriate **Weapon** from the Behavior Event Weapon dropdown for the corresponding participant.
